

Our Product Line ~Made with Aloha in fresh batches on the Hawaiian Islands!

ONE LOVE BODY SOUL® is a sustainable plastic-free skincare company that gives back to the planet, founded in 2014 in the north shore Maui jungle. Our handpicked local and/or organic ingredients are certified cruelty-free with the Leaping Bunny Program.

**Organic Ingredients*

REEF SAFE NATURAL MINERAL SUNSCREEN

This face + body sun butter is creamy and packed with nourishing nutrients for all ages. It's easy to apply and will not run or sting the eyes. It provides true broad-spectrum protection with zinc oxide being the sole active ingredient at 23% and is water resistant 80 minutes. Delivered in a recyclable/reusable aluminum tin. Fish approved!

Ingredients: *cold-pressed virgin coconut oil*, raw shea butter*, avocado oil*, local pure Hawaiian beeswax, non-nano zinc oxide, argan oil*, carrot seed oil*, red raspberry seed oil*, Aloha!*

BIODEGRADABLE MANGO BUTTER DEODORANT

That works. Coconut oil + mango butter is a powerhouse moisturizing duo; they carry antibacterial properties that effectively zap underarm odor. This gentle formula promotes an alkaline environment that really reduces unwanted bacteria and promotes dryness. This formula has been well tested by friends and family over years; it was our first natural product creation! On top of that, our 100% *pure essential oils* have neutralizing antibacterial properties for an extra layer of protection and happiness. 3 scents available: citrus peel + fir needles, lush lavender, grapefruit + ylang ylang. Plant me when through!

Ingredients: *cold-pressed virgin coconut oil*, mango butter*, local pure Hawaiian beeswax, pure baking soda, premium arrowroot flour*, 100% pure high-grade essential oils, Aloha!*

BIODEGRADABLE COCOA ALL OVAH

A pocketable organic chocolate-y + local macadamia nuts *all ova* moisturizer that's loaded with antioxidants to heal dry, cracked, burnt, stretched, and beautiful skin. Cocoa butter is rich in natural plant compounds called phytochemicals. These substances are an anti-inflammatory and can slow skin aging by protecting against damage from the sun's harmful UV rays. Hello amazing after sun moisturizer! Macadamia nut oil is known for its quick absorption while nourishing the skin to help reduce the appearance of fine lines and wrinkles. Feel soft n smooth, plant in dirt when through!

Ingredients: *cocoa butter*, raw shea butter*, Hawaiian macadamia nut oil, Maui vanilla bean, Aloha!*

GYPSY MOON OIL

Hawaiian Sandalwood has thousands of years of documented use. This rich royal oil has a sweet and woody aroma that instills calmness and well-being. It promotes healthy looking and smooth skin while aiding skin imperfections. Gently shake before applying to pulse points or troubled skin areas to unleash to aroma and healing properties. 7 natural rose quartz swims in a bed of fractioned organic coconut oil, one to balance each wheel of energy inside you. Rose quartz is the stone of universal love. This precious stone purifies and opens the heart at all levels to promote love, self-love, friendship, deep inner healing and feelings of peace. Delivered in a glass roll-on tube with a bamboo lid.

Ingredients: *Kona Hawaiian pure sandalwood essential oil, fractioned non-GMO coconut oil, natural rose quartz, Aloha!*
